

# A FAMILY AFFAIR

Combining safety, space and first-class appointments, this is a first-rate van for family touring

**M**ore and more travelers are choosing Elite Caravans to help them live the dream – and it's not hard to see why. Elite Caravans have fast become one of the most recognisable brands on the market today thanks to their commitment to superior van construction, quality components and

design innovation. In the latest addition to their range, they've designed a caravan to provide Aussie families with a superior touring and towing experience combined with a spacious, well-appointed and finely furnished interior – and the result is the Elite Caravans Luxury Class 2010 Family Van.

Live the dream with confidence knowing that you and your loved ones will

enjoy a van that has been built to a benchmark standard, with meticulous attention to detail and an unwavering commitment to safety. From Rocker Roller suspension and specially chosen building materials for better handling to padding and side guards on the custom-built bunk beds, no stone has been left unturned to assure that you and your family enjoy idyllic travels as safely as possible.

It's true when they say big things come in little packages. From meals to feed an army to quick snacks on the go, your on-board kitchenette can accommodate it all. Your Swift 500 series combines the power of a grill with not one, but four stovetop burners and thanks to a clever design, the stovetop can be covered when not in use providing ample counter top space for food preparation.

Enjoy all the refined details of a luxury bathroom ensuite while saving on precious cabin space with the Luxury Class Family Van's deluxe petite vanity feature. A polished acrylic surface gives off an impressive sheen, further complemented by a raised ceramic sink, complete with stainless steel flick mixer tap and accessory holders. An overhead LED downlight gives you the illumination you need for morning and evening rituals while ample storage space can be found above in an overhead compartment and below in easy-slide drawers.

Luxurious home features take exciting new shape in Elite Caravans Luxury Class Family Van. From the sleek panoramic design of your Dometic double glaze kitchen windows, to the personalised portholes of the bunk beds, this is one van combining style and function like never before. Not only do they look great but your windows even expel heat in the summer, conserve it in winter and reduce outside noise all year long while fitted blinds give you the privacy you deserve, and fly-screens keep any nasties out.

On every journey with family, there's one thing you can always count on, and that's hungry mouths to feed! Fortunately, with your huge 190L Dometic RMD 8551 fridge, they'll never go without. Combining two separate doors for freezer and refrigeration compartments the RMD 8551's powerful performance and magnetic sealing is guaranteed to keep an ample supply of your favourite foods and beverages fresh and ready for consumption. Better still, the shelves are treated with an anti-slip, easy-to-clean surface and can easily be arranged to accommodate whatever you desire.

At the end of an exciting day exploring your surrounds, everyone can return home to the relaxing and cleansing embrace of your very own shower. The internal shower comes in a full fibreglass mould design, which means it can be easily kept hygienic and effortlessly maintained. A stainless steel shower rose with flexi-hose head comes mounted on slider rail, so from the shortest to the member of the family to the tallest, everyone can enjoy a shower just right for them. Thanks to a flick-mixer tap the temperature is also customisable for everyone.

Elite Caravans understands that just as no two dream journeys are the same, the needs of every travelling family differ, which is why they endeavour to tailor a van to let you tour the right way – your way. Bunk beds are fitted to meet your exact requirements and offer each lucky traveller a sound night's sleep. Added features include protective side guards to prevent any accidents, and individual cabin windows and LED downlights give this space a truly comfortable and personalised feel.

## UNIQUE FEATURES

- CAN BE TOWED BY A PRADO
- LUXURIOUS WITH IMMACULATE FINISHES
- FAMILY PROTECTION MAX THERMAL SAFETY SWITCH BOARD
- MULTI BUNK CUSTOMISATION
- HAIL DAMAGE RESISTANT
- DECADE-LONG CHASSIS WARRANTY

Purchasing a caravan isn't a spur of the moment decision, it's hugely important investment for you and your loved ones. Elite Caravans wants you to enjoy your travels with confidence knowing you made the right choice, and so your van comes built on a F&P chassis – manufactured to such rigorous standards that it comes with a 10 year warranty. Further protecting your pride and joy are aluminium casings around the 95L water tanks and protective guards around all piping and modules.

When you know the joy of travelling with family, you know the difficulties of keeping everyone on board cosy and comfortable. With two 9kg LPG canisters fixed to the A-frame of your Elite caravan, you'll travel near and far with more than enough fuel to keep all of your gas powered appliances up and running so that you will never have to go without. Best of all, both units have been fitted inside securely welded frames with added chequerplate protecting inlet components for dependable security.

# RV PROFILE

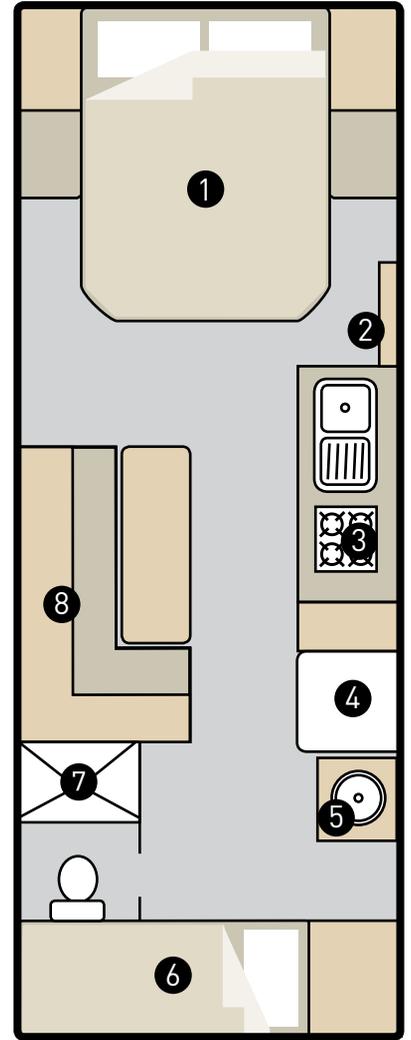

## ELITE CARAVANS LUXURY CLASS FAMILY VAN

Everyone along for the journey is bound to want to bring their favourite outdoor gear along. So that no one has to miss out, the Elite Caravans Luxury Class Family Van comes with an extra-large front tunnel boot. Long enough to accommodate fishing rods and gold clubs and wide enough to accommodate toy boxes, sports gear and hobbyist equipment, before departing on an adventure you can enjoy deciding what to bring instead of debating what to leave behind.

In rainy weather or upon retiring to your Elite caravan for the day, stretch out in comfort and relax on your truly unique L-shape lounge. Fashioned from genuine leather and finely stitched for guaranteed durability, this is the perfect arrangement for anything from stretching out with a good book during your time, or with a large full size dining table, a station for the kids to enjoy computers and smart devices or watch their favourite movies on your 22 inch LED TV.

With the intent to create a mobile living space for a bustling travelling family, the ability to move around freely and comfortably in the cabin was an essential component in this van's floorplan. Careful design and manufacture has guaranteed that you and your loved ones will experience the freedom of mobility and the luxurious comfort of a deluxe suite thanks to clever recessing of cabinets and drawers wherever possible as well as plenty of overhead storage space. Even gas struts allow the easy and practical use of space beneath your pillow-top queen-size bed.
