SERIES 8

2018 STOCK

The Eildon S8 lets you live the dream in true comfort and style.

The Eildon S8 has been designed and created to deliver great functionality and exceptional comfort you'll appreciate wherever you are.

It's spacious enough to relax in. There's room to 'live' rather than sit. A bedroom that's retreat not just a berth, and an ensuite that's a room, not a compartment. It has a kitchen that can fit a week's worth of groceries, a fridge and freezer that can handle left-overs. It's a caravan that feels like a 'home'.
