HUME S2

OFF-ROADER

2018 STOCK

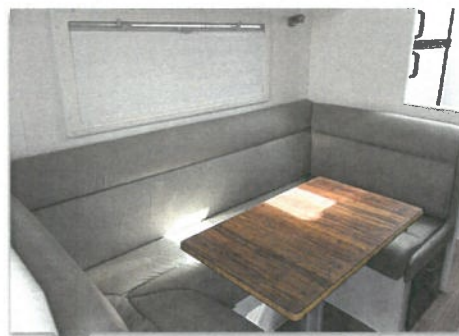

Exploring Australia with a Hume Off-Roader Series 2 caravan is a great way to create life-time memories

The Hume 'Off-Roader' Series 2 is a family van that offers real adventure combined with all the modern luxuries and comforts. It's designed and built to handle years of travelling Australia's roughest roads and at the end of the day to provide you and your family resort style comfort.

If you're planning on traveling to Uluru, the Kimberleys, or the infamous Gibb River Road, the Hume 'Off-Roader' is the perfect family caravan for the job. With features such as Cruisemaster Suspension, 17" Alloys, extra checker plate paneling, plus built-in DVD Players in the kids bunks, it's the perfect van to explore this great country with your family.
