

OFF-ROAD WARRIOR

Built from the ground up to take you off the beaten track, Elite Goulburn Off Roader is the ultimate free camping caravan

Free Camping isn't just about saving money – it's about escaping the crowds, exploring the country and creating memories. To do so for any length of time however, and you need a quality Australian built van that's been well and truly 'bush-proofed'. That's where the Elite Goulburn Off Roader 1810 comes in. Lightweight and nimble at 18 feet long and under three ton fully loaded, the designers at Elite stand behind the

ruggedness so much of the Goulburn Off Roader that they offer a full off road warranty. Now that's confidence.

But don't get caught thinking this van is only good off the beaten track. Inside you'll find nothing short of the epitome of luxury – from the full leather café lounges to the tasteful LED downlights and wood finishes, the Elite Goulburn Off-Roader makes you feel like you're standing in a modern high rise apartment more than a touring caravan.

UNIQUE FEATURES

- SUPERB OFF THE BEATEN TRACK – COMES WITH A FULL OFF-ROAD WARRANTY
- LUXURY FINISHES THROUGHOUT LIKE FULL LEATHER LOUNGES
- CUSTOM ELECTRICAL PANEL THAT ELIMINATES UP TO 12 FUSES
- FULL CUSTOM LAYOUT AND COLOURS

When heading off the beaten track, a comfortable ensuite is often the difference between staying a few days and staying for weeks. Boasting a designer ceramic sink, flick mixer, mirror and a cleverly hidden top loader washing machine, it transforms bush camping into modern luxury. Add to that a Thetford toilet, full height shower and energy efficient LED lighting, and you have a bathroom to rival any five star hotel.

Cooking on the road often means you have to sacrifice bench space or eating space. On the Goulburn Off Roader, you sacrifice neither. The enormous wood grain veneer bench top features an innovative slide out bench that effectively doubles your preparation space, giving you more access to the Thetford mini grill, microwave, deep bowl stainless steel sink and enormous 215L compressor fridge.

INCREDIBLY LUXURIOUS INTERIOR

No expense has been spared in making the Goulburn Off Roader as pleasurable as possible to live in. From the full leather café lounges to the wood accents and marble veneer finishes, the interior reflects the incredible craftsmanship and dedication to build quality that's gone into every component on the van, internally and externally. In the motoring world the only equivalent would be the finest German luxury car makers.

Interior colour scheme designed by Alisa and Lysandra

In a van as decadent internally as the Goulburn, it makes no surprise that the queen bed is as comfortable as they come. With a pillow top 6'2" mattress on a sturdy slatted bed base, the bedroom also offers huge storage by way of the gas assisted underbed compartment. Flanked by double glazed, tinted Dometic windows complete with built in insect screens, this bedroom is perfect for extended stays.

VEHICLES THAT CAN TOW THIS VAN

- When loaded the Elite Goulburn Off Roader 1810 weighs 2868kg – making it perfect for any 4WD with a 3 ton braked towed capacity
- Toyota Landcruiser 75, 79, 100 & 200 Series
- Nissan Patrol GU, Y61 & Y62
- ISUZU D-MAX, Ford Ranger, Holden Colorado

A hidden gem of the Elite Goulburn Off Roader is the custom designed and built Thermal Circuit Breaker. Boasting a voltmeter and ammeter to give you an idea on battery health and use, the custom panel eliminates as many as 12 fuses. By eliminating these fuses they have simplified troubleshooting and made the entire system more energy efficient – perfect for free camping.

Underneath its rugged exterior the Goulburn Off Roader offers endless multimedia options. With a 22 inch LED TV with built in DVD Player plus an external TV point with 12 volt and 240 volt power points – it's perfect for kicking back and catching up on the latest news and sports action. And if that doesn't sound idyllic enough, you can even play some tunes with Fusion RA205 entertainment system also fitted as standard.
